Dear Sheriff Downing:

I wanted to take this opportunity to thank you and your agency's High Risk Warrant Entry Team for their efforts to the incident in Newmarket on May 30, 2014.

What could have been a more serious incident was prevented due to the efforts of your office and the other multiple law enforcement and fire agencies that responded that morning. The professionalism and dedication the agencies displayed did not go unnoticed and was truly appreciated.

Again, thank you and the members of the Rockingham County Sheriff's Office for all that you do.

Sincerely,

A handwritten signature in black ink, which appears to read "Stephen R. Fournier". The signature is stylized with large, sweeping loops and a long horizontal stroke at the end.
